NEW OPPORTUNITIES THIS YEAR

Rogue Co. + Nick Serian Photo Experience

At our Winter Workshop, we strive to create opportunities beyond typical classes. This year we are excited to announce that all Full Weekend and 2-Day attendees will get the chance to experience a dance photoshoot session with Nick Serian. We encourage all dancers to sign up, as each dancer who chooses to participate in a photo session will get a mini-shoot and will receive 2-3 edited photos from Nick Serian. These sessions will take place between 2:00 pm and 4:00 pm on Saturday and 2:15 pm and 4:15 pm on Sunday, and dancers will still be able to participate in the Movement Exploration class before and/or after their photoshoot time slot. Details will be discussed further during Friday night's Movement Exploration class.

Mini shoots such as this typically cost around \$75, **but we are able to offer this opportunity for only \$25 per dancer.** The entirety of this fee will go to Nick Serian for his time both shooting and editing photos. Please secure your spot by paying via Venmo and sign up below.

To take some of the guesswork and decision-making out of the photoshoot process, we have chosen a color palette that will complement our light blue backdrop, as well as put together an inspiration board for outfits. Please see the [Rogue Co. + Nick Serian Photo Experience Inspo Board](#) and check out the color palette below.

Movement Exploration Class

We are also excited to add another new opportunity, Movement Exploration, to our Rogue Winter Workshop. This opportunity builds upon previous workshops' improv classes by providing more time, a greater variety of exercises and explorations, and the opportunity to learn from additional members of Rogue. Our Movement Exploration classes occur on all three days of the workshop, and each class will provide new and unique opportunities to participate in meaningful movement and connection, breaking improv and choreographic habits, and finding different approaches to investigate artistic expression.
